If I can be so bold as to steal a news line from the Right to Life of Michigan website, "Planned Parenthood and the Terrible, Horrible, No Good, Very Bad Week," describes well the climate for the ProAborts. Even the 9<sup>th</sup> Circuit Court (the most liberal court in the land), refused to stop legislation implemented by the President's Protect Life Rule. The Protect Life Rule changes how federal funding is handled by organizations like Planned Parenthood, which provide for family planning and abortions. Planned Parenthood is going to lose access to Title X funds for family planning if they continue their unspoken mission of providing abortions throughout an entire pregnancy.

The Michigan Values Life petition drive is well underway. Signatures are being collected throughout the State to overrule Governor Whitmer's veto of the Dismemberment Abortion Ban. Petitions to sign are available by contacting BCRTL. The Governor does not speak for all of us.

The movie "Unplanned" is coming to DVD August 13<sup>th</sup>. We will be purchasing DVD's; if you would like to get a true look at Planned Parenthood, you may borrow one to view. The movie also highlights the importance of the 40 Days for

Life Prayer Campaign, which will be kicking off September 22<sup>nd</sup>, 2019 in Saginaw. Most Tri-County residents do not realize we have an abortion facility, which provides dismemberment abortion procedures, right nearby in Saginaw.

Our Focus on Life Dinner is scheduled for October 3<sup>rd</sup> at Lumber Barons. Our Speaker, Hannah Rose Allen, lost two children, one to abortion and one to natural causes. Her story provides a unique perspective about the value of each life.

Our Annual Cross Display is set for October 5<sup>th</sup> to October 26<sup>th</sup> in front of First Baptist Church in Auburn. 25,554 **abortions** took place in **Michigan** during 2018. The cross display represents lives ended too early; we will not forget these unborn babies.

We need all the help we can get to continue our mission to create a culture of life and prepare for the future. Please consider joining us in any small way! No Life is too small to fight for!!

God Bless,

Teresa Villano, President  
Bay County Right to Life

### 40 Days for Life 2019 Prayer Campaign

Our 3<sup>rd</sup> annual Forty Days for Life prayer vigil will be kicking off Sunday, September 22, 2019 at 2 p.m. in front of the Woman's Health Clinic of Saginaw on 3099 Cabaret Trail South in Saginaw, Michigan. The daily vigils begin Wednesday, September 25, 2019 from 7 a.m. to 7 p.m. We have our prison ministry praying from 7 p.m. to 7 a.m. To sign up for an hour or two to pray outside the clinic, please visit the 40 Days for Life website and find the Saginaw Campaign. Midpoint Rally is set for October 13<sup>th</sup> at 2 p.m. and Ending Rally will be November 3<sup>rd</sup> at 2 p.m. Please join us for the Sunday vigil and rallies, and remember to pray for this ministry each day in your home.

This "Woman's Health Clinic" is the only actual abortion clinic north of Flint. We can close the doors on this clinic with God's help and lots of prayers. We will also be sponsoring a sidewalk counseling training on Saturday, September 14<sup>th</sup>, time and place yet to be determined. Watch your email for details as they become known.

**Hannah Rose Allen**

*special guest speaker*

**Hannah Rose Allen** is a young Christian woman passionate about the prolife message and has a unique perspective on the issue of abortion. She experienced two unplanned pregnancies that had very different outcomes; one ending in abortion and one in which she chose life and unexpectedly lost her daughter shortly before birth. Even though her daughter, Lily, never spoke a word or took a breath, her life and death in miscarriage has changed Hannah Rose forever. Lily taught her the sanctity of each life and that choosing life—no matter the outcome—is the better choice. A choice without regret. Hannah Rose is pursuing her degree in psychology with a specialization in crisis counseling through Liberty University. She resides with her family in Raleigh, North Carolina where she volunteers at a prolife pregnancy resource center.
