PRESIDENT'S MESSAGE

As we reflect upon this last year of 2022, we must be thankful for all the good that has happened. In our quest to defeat Proposal 3, we received support from so many volunteers, it is impossible not to be overwhelmed. So many people stepped out of their comfort zone going door to door, making phone calls, or educating their friends and neighbors, one on one about the evil of this amendment. That is what energizes us to start the New Year of 2023 feeling encouraged that we will continue the fight for those who have no voice.

We have already started planning our next year. We had the opportunity to present to All Saints High School students about life that starts at conception, options for crisis pregnancy and finally how to be pro-life in this culture of death. This is our future generation, so we will be working to educate them about life.

We are planning a remembrance gathering on January 22nd at 1pm in front of the Bay County Building for all those lives lost to abortion. We are planning Sidewalk Advocates Training in the beginning of 2023 to assist in more counselors to be in front of our local abortion clinic in Saginaw. Bay County Right to Life will continue to be a presence in Bay County educating to protect the unborn. While we may not have defeated Proposal 3, we will continue to be present in the community to fight for the unborn.

We are unable to do what we do without your support. Please listen for any opportunity or event that we can be a part of to educate our local community. We need the grassroots effort of every one of you to be the voice of the voiceless. We ask for your continue prayers and financial support as we look to 2023 with hope in our hearts.

Blessings,

Teresa Villano
President BCRTL

Nov 2022 Elections/Proposal 3

While we may have lost the fight to defeat Proposal 3 and prevent it from becoming part of our State Constitution, we will continue to wage war with those who do not value human life. At a state level, Right to Life of Michigan will continue to be our listening ear and our voice to oppose overturning all the work that has been done. While we are disappointed, we will not be dissuaded from our mission of educating the State of Michigan about the horrors of abortion.

January 22nd, 2023 Remembrance Event – 1 pm – Bay County Building, 515 Center Avenue

Please join us in front of the Bay County building on Center and Madison at 1pm for a brief prayer service to remember all who have been affected by abortion since 1973. Unite with us in one voice to let our community know, that we will continue to fight for life from conception to natural death. While the effect of Proposal 3 may take years to know, we can stand together and raise our voices to heaven. Please see the enclosed flyer.

Membership Drive

Our 2023 membership drive is gearing up. As you know, we emptied our coffers to defeat Proposal 3 and now need your help to continue our mission of education. Your financial support allows us to do local advertising to educate on the pro-life agenda, publish newsletters, sponsor a webpage and Facebook page, and support local high school and college pro-life groups. Please consider making a contribution to Bay County RTL to continue our mission of creating a culture of life. The membership form is on the last page of this newsletter. THANK you!!
