As we reflect on 2023, we must remember our victories in the pro-life movement. On a local level, our presence at the National Night Out in August connected us to more supporters. Some of these supporters joined us on our bus trip to Lansing on November 8th for the first March for Life in Michigan. Our buses to the March were full of local students from All Saints and St. Brigid's in Midland. The youth that attended the March were on fire for protecting life from conception to natural death.

All Saints High School students were blessed with a presentation on abortion from the Right to Life of Michigan Youth Outreach coordinator, Jazlyn Bailey. The students were educated, in a Jeopardy quiz show format, in the truth about abortion. The question-and-answer time was so impacting, that future unborn lives were very likely saved as those students move into the adult world.

Finally, with your financial support, Bay County Right to Life is hosting a billboard on Bay Road from January to April, encouraging women to reach out for help with an unplanned pregnancy. Our target audience is the college students who travel that road daily to SVSU and Delta. We will never know the impact these billboards could have, but even one child's life spared is worth it. Thank you for all your support this past year! We will not stop working to create a culture of Life!

Happy New Year!
